

GRT Hire Display Komatsu Fleet

GRT Hire is a wholly Irish owned Plant and Tool Hire Company based in Bagenalstown Carlow, which commenced trading in January 1998.

The company was formed by Mr. George O' Shaughnessy who has several years experience in the plant hire trade and is family run with his wife Anne

and sons Rory and Terence. Since then the company have gone from strength to strength with a state of the art premises to service the South Eastern and midland counties.

GRT Hire provides a broad range of excavators for rent, from the mini and midi excavator range to the hydraulic excavators such as the PC138US-2. The fleet consists of over 50 utility machines with Komatsu as the preferred brand. The fleet includes several units of Mini excavators in size such as PC09, PC14, PC30, PC35, PC50, and skid steer loaders ranging from SK04 to SK818 and is waiting delivery of CK35 tracked skid steer. Komatsu WH716 Telehandler was introduced to their telehandler fleet last year and is proving to be a very robust and user friendly telehandler.

GRT Hire customer based various from contractors, for use on housing and industrial developments as well as road construction to landscapers and a principle reason for GRT Hires success has been their insistence for the use of the most up to date equipment, providing an edge in this highly competitive market.

According to George “we find the Komatsu Range of equipment to be extremely reliable and our customers are very pleased with its robustness and operator comfort and usability. Following the purchase of our first Komatsu machine it is evident that the Komatsu equipment is extremely efficient and productive machines which make it easier to hire which is a bonus in this competitive market.”

George concluded by saying “the level of service that we have found at McHale Plant Sales is second to none and we are delighted that we don't have to depend on that service too much, which says a lot about the product especially when you see the conditions in which they are worked”.
